

Extending the TreeWorks Evaluation Period

The TreeWorks evaluation period lasts 30 days. You can always see how many days you have left on the evaluation using the login  key on the TreeWorks toolbar.

If your registration has expired, then you can request an evaluation extension from The Kenerson Group by calling call 978-249-6495 or email us at: info@kenersongroup.com.

Done! Now your evaluation period has been extended for another 30 days.
